The consumption of raw or undercooked meats or eggs can be harmful to your health

Throughout this extremely difficult year and a half, our customers and loyal staff have gone above and beyond to support our Angola Lakeview Ale House and we can't thank you enough. Due to the upcoming loss of much of our valued service staff back to their schooling studies and the unprecedented shortage of workers we will be making some drastic but necessary adjustments to our days of operations, hours and menu offerings. We will continue with our full compliment of bar services but will offer a completely scaled back kitchen menu beginning August 11.

We will be closed on Saturday August 7 through Tuesday August 10 to retool. We will reopen Wednesday August 11 at 4 PM and intend to be open W-Th 4-10 and F-S 4-11.

We are sorry for any inconvenience this may cause and hope for all of these changes to be temporary as we look towards the labor shortage to improve.

Thank You,
Owners of Mad Anthony Brewing Company
